Secretary Elaine L. Chao
United States Secretary Of Transportation
1200 New Jersey Ave, SE
Washington, DC 20590

Dear Secretary Chao,

It has been brought to my attention that the City of St. Charles, Missouri, has applied for a grant through the U.S. Department of Transportation's BUILD discretionary grant program.

This grant would assist the City of St. Charles in bringing multimodal transportation infrastructure to St. Charles via the Bangert Island Riverfront Transportation Project. This will restore a damaged aquatic habitat, establish a water quality basin along the Missouri River, and seek to attract jobs to the region.

It is my hope that you will give full and fair consideration to this request from the City of St. Charles.

Sincere regards,

Roy Blunt
United States Senator
